Going Subterranean in the Desert: The Story of Groundwater Recharge

**Tuesday, March 27, 2018
5:30 - 7:00 P.M.**

Tony Winkel, MWA's Senior Hydrogeologist/Engineer, will offer attendees an in-depth view of what lies beneath our desert lands and how the region's unique geology offers opportunity to store water from the State Water Project to help replenish our local aquifers. He will talk about sand, filtration rates, water quality, and why this should matter to you.

Refreshments will be served. Seating is limited, so register now to attend. Please email Gloria Golike at ggolike@mojavewater.org or contact her at (760) 946-7001. The deadline to register is March 26, 2018.

Hosted by: Mojave Water Agency

Located at: 13846 Conference Center Dr., Apple Valley, CA
