Water Agency offers Family Fun Night in July

Apple Valley, CA — Let's-a-go! The Mojave Water Agency will host a free Super Mario themed public workshop on Tuesday, July 9. Join our Operations staff as they give a kid-friendly discussion on pipelines, tracking water flows, and what it takes to maintain our 5,000 square-mile service area. The event is open to the public and caters to families, children, and teens.

Family Fun Night is the second installment of the 2024 “Wonders of Water” workshop series. Formerly known as the “ABCs of Water” this series of workshops was updated in 2023 and continues to provide valuable information to the public on Mojave Water Agency and its role in the community.

The workshop will take place from 5:30 to 7 p.m. in the boardroom at the Agency headquarters, 13846 Conference Center Drive in Apple Valley.

All Wonders of Water sessions are free and designed to educate the public about the local water supply, science, conservation, or sustainability. Topics will range from family friendly presentations and activities, such as Family Fun Night, to intermediate level scientific studies.

Games and refreshments will be provided in addition to the staff presentation. Registration is required and space is limited.

Register online at <https://www.surveymonkey.com/r/DGDPPJH> or by contacting Elizabeth Fratt at (760) 946-7054 or email efratt@mojavewater.org.

For more information, please visit the Agency’s website at www.mojavewater.org or follow us on social media @mojavewater.
