Subject: Water Quality and Supply Project submitted to Mojave Region IRWM Plan
Importance: Low

Hi Steve-

I am with the Consultant Team that is evaluating the projects for the Mojave Water Agency and their Integrated Regional Water Management Plan (IRWM Plan) and I'm emailing regarding the water quality and supply project that you submitted. I have some questions regarding the project and I so appreciate your help in getting back to me.

I need some more details regarding the excel table you sent with the application listed below: I've highlighted what I need in **BOLD RED** text.

District / Client	Location (MAP?)	Quality – Constituent(s) out of Compliance??	Quantity – ESTIMATED AMOUNT??
CSA 42, Oro Grande	National Trails Highway, Oro Grande, CA – narrow this location at all?	TDS	90 AF/YR
CSA 64, Spring Valley Lake	Spring Valley Lake, Victorville, CA - narrow this location at all?	AR/NITRATE	3,129 AF/YR
CSA 70 J, Oak Hills	10802 El Centro, Hesperia, CA	CR #6	1870 AF/YR
CSA 70 W-1, Landers	820 Landers Lane, Landers, CA		141.26 AF/YR

CSA 70 W-4, Pioneer Town	PIONEER TOWN	AR/UR/FLU	20.06 AF/YR
Calico Regional Park	36600 Ghost Town Road, Yermo, CA 92398	AR/TDS	ONE WELL
Mojave River Forks Regional Park	18395 Highway 173. Hesperia, CA 92345		ONE WELL
Barstow / Daggett Airport	29500 National Trails Hwy, Daggett, CA 92327	s	

Thanks so much for your help.
