***PART 6: MOJAVE WATER AGENCY GOALS\****

---

**The Strategic Partner program is an extension of the Mojave Water Agency. We would like to ensure your project is meeting one or more of our goals. Please check which goal or goals your project demonstrates:**

- Goal 1** Develop sound fiscal and organizational policies that allow the Agency to be effective, innovative, and responsive.
- Goal 2** Manage water resources through or in conjunction with the State Water Project to meet future demands while maintaining independence during periods of water shortages.
- Goal 3** Coordinate efforts to maintain adequate water quality so that groundwater is safe for drinking, and other beneficial uses.
- Goal 4** Develop public awareness so that individuals and stakeholder organizations support our efforts and understand their role in contributing to the Agency's mission.
- Goal 5** Advance scientific understanding of the region's water resources to support efficient management of water resources.
- Goal 6** Promote efficient use of the region's water resources through regional conservation programs.
