**DEFENDANT SHADOW MOUNTAIN  
RANCH, LLC'S REPLY IN SUPPORT  
OF APPLICATION FOR DISMISSAL  
OF MOJAVE WATER AGENCY'S  
FIRST AMENDED COMPLAINT**

Date: January 8, 2025  
Time: 8:30 a.m.  
Dept.: 1

Action Filed: May 30, 1990

Defendants.

1      **I.      INTRODUCTION**

2      Defendant Shadow Mountain Ranch, LLC (“SMR”) respectfully submits that the Court  
3      should grant this application, and dismiss SMR as a defendant in this action. Plaintiff Mojave  
4      Water Agency (“MWA”) has now been given two chances to oppose SMR’s application to  
5      dismiss. In neither briefing does MWA explain why it failed to amend the pleading within the  
6      time afforded by the Court. Instead, MWA has proffered nonsensical arguments in support of a  
7      wild theory that the demurrer was overruled, even though the ruling plainly states “sustained”.  
8      The undeniable fact here is that this Court sustained SMR’s demurrer to the single cause action  
9      pled in the First Amended Complaint (“FAC”). The Court may have overruled the demurrer on  
10     multiple grounds, but for at least one ground, the ruling was “sustained” with leave to amend.  
11     (See 11/26/24 Order.)

12     When a demurrer is sustained with leave to amend, the Court in essence gives the pleader  
13     permission to amend the cause of action to which the demurrer was sustained. (*Patrick v. Alacer*  
14     *Corp.* (2008) 167 Cal.App.4th 995, 1015.) Such a ruling is not a suggestion from the Court as to  
15     how a plaintiff can take a well-pled cause of action and make it even better. Rather, when a  
16     demurrer is sustained, the Court is expressing that the cause of action is legally deficient in some  
17     way, which must be corrected if possible. If the plaintiff fails to timely amend thereafter, it is  
18     deemed an admission that it cannot cure the defect that caused the Court to sustain the demurrer  
19     in the first place. (*Zolly v. City of Oakland* (2020) 47 Cal.App.5th 73, 82.)

20     The 11/26/24 Order at issue unequivocally sustained SMR’s demurrer: “**The demurrer of**  
21     defendant [SMR] to [MWA’s] first amended complaint **is sustained ...**” (Emphasis added.) The  
22     Court then provided MWA with 20 days leave to amend. MWA did not amend. It is black letter  
23     law that if a demurrer is sustained and no amended complaint is thereafter filed, the case should  
24     be dismissed with prejudice as against the demurring party. (*Cano v. Glover* (2006) 143  
25     Cal.App.4th 326, 329-30; *Rupley v. Huntsman* (1958) 159 Cal.App.2d 307, 315.) Moreover, the  
26     law specifically allows a defendant in such a situation to apply *ex parte* for a dismissal of the  
27     complaint with prejudice. (Cal. Rules of Court, rule 3.1320(h); *see Wilburn v. Oakland Hosp.*  
28     (1989) 213 Cal.App.3d 1107, 1110.) That is what occurred here.

MWA’s opposition briefs do nothing to move the needle. MWA bizarrely argues that the Court’s ruling was not actually a sustaining of the demurrer, and that the Court really overruled the demurrer (even though on its face the Order says “sustain”), and therefore no amendment is necessary. This argument is nothing short of incredible. It flies in the face of well-established law. MWA wants this Court to not only ignore its 11/26/24 Order, but to re-write it, and to reach a contrary decision. The Court ought not and cannot do this. The Court made a finding sustaining the demurrer. MWA did not move for reconsideration or even clarification, and it certainly did not take the Court up on the opportunity to amend. Instead MWA sat on its hands for the 20-day window, and now it wants the Court to bail it out by changing its ruling on the demurrer. This conduct cannot be condoned. The Court should grant this application and dismiss the FAC as against SMR, with prejudice.

**I. THE COURT SUSTAINED THE DEMURRER, WHICH REQUIRED MWA TO FILE A SECOND AMENDED COMPLAINT, AND THE FAILURE TO DO SO REQUIRES DISMISSAL**

The demurrer of SMR identified four separate grounds, each of which—individually—justified sustaining the demurrer. The Court sustained the demurrer on one such ground. It was not required to sustain it on all four grounds, and accordingly stated: “Except as stated herein [i.e. sustaining on one ground], the demurrer is overruled.” It is well-settled that the sustaining of a demurrer with leave requires an amendment as directed by the Court, or dismissal will result. (*Rupley, supra*, 159 Cal.App.2d at 315 [citing *Michaels v. Mulholland* (1953) 115 Cal.App.2d 563, 565] [“After a demurrer is sustained with leave to amend, and the plaintiff fails to amend within the specified time, no formal motion to dismiss the action is necessary. The entry of a judgment follows as a matter of course.”].)

MWA suggests that the Court did not sustain the demurrer as brought by SMR, and that when the Court issued its ruling sustaining the demurrer with leave to amend, it was not on a ground that was raised in SMR’s demurrer. As is discussed herein, this is wrong. MWA misstates what was argued in the demurrer briefing. But regardless, MWA’s argument makes no sense. Courts do not render advisory opinions on issues that are not argued by the parties. (*Stonehouse Homes LLC v. City of Sierra Madre* (2008) 167 Cal.App.4th 531, 542 [“Courts may

1 not render advisory opinions on disputes ... which do not presently exist.”].) In its 11/26/24  
2 Order, the Court is not suggesting that MWA keep an eye out for potential future arguments that  
3 may be raised at some point, and the Court certainly is not telling MWA that its FAC is perfectly  
4 fine, but that it could be a little better if it chose to amend and add certain allegations. Why  
5 would the Court ever do such a thing? That is not and cannot be what the Court provided when it  
6 sustained the demurrer. There is truly only one way to read the Court’s ruling, and that is that the  
7 demurrer was sustained, i.e. the Court found the pleading to be defective in some way, and that  
8 leave to amend was granted, which required MWA to amend in order to proceed.

9 MWA also speculates that the Court must have been referring to a different “category” of  
10 defendants that does not apply to SMR, i.e. marijuana growers, when it sustained the demurrer.  
11 (See Supp. Opp., pp. 2-3.) This speculative theory is absurd. The Court made no such finding  
12 regarding marijuana growers and their use of water in its 11/26/24 Order, and there is nothing in  
13 the FAC suggesting that SMR is using groundwater to cultivate marijuana. That is not what the  
14 demurrer was about, and so that cannot possibly be the basis for the Court’s ruling sustaining the  
15 demurrer. If MWA’s speculation were true, the Court would not only be providing an improper  
16 advisory opinion, it would also be splitting the cause of action and sustaining the demurer as to a  
17 part, but not the entire cause of action. It is well-settled that a demurrer cannot lie to only a part  
18 of a cause of action. (*Daniels v. Select Portfolio Servicing, Inc.* (2016) 246 Cal.App.4th 1150,  
19 1167; *PH II, Inc. v. Superior Court* (1995) 33 Cal.App.4th 1680, 1682-83.) As such, the Court  
20 could not possibly have issued a ruling sustaining the demurrer as to only a part of the cause of  
21 action related to marijuana growers. Also, it should not be lost on MWA or anyone else that if  
22 the Court had overruled the demurrer, as MWA suggests, it would have required SMR to file an  
23 answer within a certain time. The Court did not do so, and for good reason.

24 Finally MWA’s attempt to cite to the tentative ruling as a way to inform the final Order is  
25 also improper. “[A] trial court’s tentative ruling is not binding on the court; **the court’s final**  
26 **order supersedes the tentative ruling . . . .** Accordingly, we disregard the trial court’s tentative  
27 ruling and the comments the court made during oral argument on the motion to discharge the writ  
28 in the 2003 action, and consider only the trial court’s final order on the motion. That order, on its

1 face, constitutes a full and final adjudication of the issue of the county's compliance with the  
2 commands of the writ." (*Silverado Modjeska Recreation & Park Dist. v. County of Orange*  
3 (2011) 197 Cal.App.4th 282, 300-301 [emphasis added]; see also *Brown, Winfield & Canzoneri,*  
4 *Inc. v. Superior Court* (2010) 47 Cal.4th 1233 [citing Rule 3.1308; *Jespersen v. Zubiate-*  
5 *Beauchamp* (2003) 114 Cal.App.4th 624, 633, 7 Cal.Rptr.3d 715 ["Courts are not bound by their  
6 tentative rulings."].) SMR's attempt to wiggle out of this predicament by citing to the tentative  
7 ruling is not well taken.

8 **II. SMR ARGUED IN ITS DEMURRER THAT MWA FAILED TO STATE FACTS**  
**CONSTITUTING A CLAIM FOR A GROUNDWATER ADJUDICATION,**  
**WHICH ARGUMENT THE COURT SUSTAINED IN ITS ORDER**

10 MWA has repeatedly failed to describe any cause of action it may have against SMR. The  
11 demurrer of SMR explained why MWA's failure to state a cause of action against it was fatal.  
12 (See, e.g., Demurrer at p. 1, [citing Code Civ. Proc., § 430.10, subds. (e), (f)], 5 ["There exist  
13 fundamental pleading requirements—namely, the requirement to . . . state facts sufficient to  
14 constitute a cause of action—which the FAC does not and cannot meet. MWA has had ample  
15 opportunity to amend its FAC to state a viable claim, but has failed to do so."].)

16 Of utmost importance is the fact that there exists no cause of action to determine overlying  
17 groundwater rights, such as those exercised by SMR, as previously and repeatedly briefed by  
18 SMR. (See Demurrer at p. 15 ["MWA has not established any legal authority for its suggested  
19 'requirement' that SMR 'prove-up' its water rights, which would be a unique requirement that  
20 other water users in the Basin do not have to do"].) There is no such thing as a common law  
21 cause of action for a property owner's use of water on its own property pursuant to its overlying  
22 groundwater rights. (*City of Barstow v. Mojave Water Agency* (2000) 23 Cal.4th 1224, 1248  
23 [noting an overlying landowner has no obligation to prove-up their right in court].) And, to be  
24 abundantly clear, the Mojave Water Agency Act also does not provide a cause of action for  
25 MWA as against SMR. (*See, generally*, West's Ann. Cal. Wat. Code, § 97, *et seq.*)

26 As explained in the demurrer and associated briefing, MWA simply has not alleged that  
27 SMR acted unlawfully, which if it had been pled, could theoretically constitute a cause of action.  
28 But MWA fails to allege that SMR is harming other producers within the Mojave Basin Area, or

1 otherwise using water in an improper or wasteful way. Nor does MWA allege that it has been  
2 harmed in any way. This is fatal. MWA establishes no cause of action here, least of all a cause  
3 of action conferring upon MWA the right to force SMR (and SMR alone) to prove-up its water  
4 rights in this litigation. It is this precise argument, which was raised in the demurrer and in  
5 associated briefing, on which the Court relied in sustaining the demurrer.

6       The *Barstow* case itself states that Article X, section 2 “dictates the basic principles  
7 defining water rights: that no one can have a protectable interest in the **unreasonable** use of  
8 water, and that holders of water rights must use water **reasonably** and **beneficiallyCity of  
9 *Barstow, supra*, 23 Cal.4th at 1242 [emphasis added].) Even in an adjudication, rights and  
10 priorities must be determined “in relation to the reasonable use doctrine.” (*Id.* at 1250.)**

11       The Supreme Court’s opinion in the *Barstow* case discusses the Cardozo appellants, which  
12 were parties that refused to stipulate to the Judgement. There are close analogies between the  
13 Cardozo appellants (who were not subject to the Judgment) and SMR. The Cardozo appellants  
14 were alfalfa and dairy farmers who, like SMR, held legal water rights in the Mojave Basin Area.  
15 (*City of Barstow, supra*, 23 Cal.4th at p. 1236.) The Cardozo appellants, again like SMR, claimed  
16 overlying rights to the groundwater they pumped. (*Id.* at p. 1253 [“As overlying owners, the  
17 Cardozo appellants have the right to pump water from the ground underneath their respective  
18 lands for use on their lands.”].) The Supreme Court found that MWA had no authority over the  
19 Cardozo appellants (because the Cardozo appellants did not stipulate to the Judgment), just as  
20 MWA has no authority over SMR here (who likewise has not stipulated to the Judgment).

21       In pertinent part, the *Barstow* case explains:

22       As overlying owners, the Cardozo appellants have the right to pump  
23 water from the ground underneath their respective lands for use on  
24 their lands. The overlying right is correlative and is therefore  
25 defined in relation to other overlying water right holders in the  
26 basin. In the event of water supply shortage, overlying users have  
27 priority over appropriative users. (*City of Pasadena, supra*, 33  
28 Cal.2d at p. 926.) The Court of Appeal properly recognized that the  
Cardozo appellants retained their overlying rights by pumping, and  
that no claim of prescription had been asserted to reduce those  
retained overlying rights. Likewise, **no precedent exists for  
requiring an overlying user to file an action to protect its right  
to pump groundwater.**

1        (Id. at 1253-54 [emphasis added].)

2            All water use in California must be reasonable under Article X, section 2 of the California  
3 Constitution. (See, e.g., *Santa Barbara Channelkeeper v. City of San Buenaventura* (2018) 19  
4 Cal.App.5th 1176, 1181 (including cross-complaints alleging water use is unreasonable);  
5 *Antelope Valley Groundwater Cases* (2020) 59 Cal.App.5th 241, 251 [including allegations in its  
6 cross-complaint “that some parties’ use of water was unreasonable and constituted ‘waste,  
7 unreasonable use or an unreasonable method of diversion or use,’ and such parties’ water rights  
8 should be determined and limited to reasonable uses rather than actual uses.”].) As such, in order  
9 for MWA to state a cause of action against SMR, it must allege that SMR is using water  
10 unreasonably. It has not done so, and this Court’s 11/26/24 Order is consistent with these  
11 foundational legal precepts.

12           At bottom, this Court correctly found that MWA did not state facts sufficient to constitute  
13 a cause of action because it did not allege that SMR used water in an unlawful, unreasonable or  
14 non-beneficial way. This was argued in the demurrer, which the Court properly sustained.  
15 Moreover, even if MWA were correct in its position that the Court sustained the demurrer on a  
16 ground not raised, which is not the case, the Court has since given leave to amend, which MWA  
17 ignored, and the Court also provided MWA with multiple opportunities to oppose this motion,  
18 during which MWA has re-presented its substantive arguments. In short the Court has gone out  
19 of its way to make sure that MWA has had every opportunity to address the argument regarding  
20 the alleged reasonableness of SMR’s water use, and/or to identify how it can allege facts to cure  
21 the defect in its FAC. Yet not once in all of these briefings has MWA asserted that it can state  
22 facts showing that SMR’s use of water is unlawful, unreasonable, or not beneficial, nor has MWA  
23 presented any credible argument that it need not plead and prove such facts in order to prevail.

24           MWA’s silence can only be construed as an admission that it cannot in good faith allege  
25 such facts. (See *Zolly, supra*, 47 Cal.App.5th at 82.) There is no reason to prolong this lawsuit  
26 against SMR any further. If MWA wishes to continue with this action against marijuana farmers  
27 and other allegedly unlawful and unreasonable users of water, and attempt to bring them in to the  
28

1 existing Physical Solution, that is fine. But SMR does not belong in this case. The Court should  
2 grant this application, and dismiss SMR with prejudice.

3 **III. CONCLUSION**

4 For the reasons stated herein, the Court's Order should grant this application, and dismiss  
5 SMR from the FAC, with prejudice.

## **PROOF OF SERVICE**

I, Dawn R. Forgeur, CCLS, declare:

I am a citizen of the United States and employed in Sacramento County, California. I am over the age of eighteen years and not a party to the within-entitled action. My business address is 500 Capitol Mall, Ste. 2500, Sacramento, California 95814. On December 27, 2024, I served a copy of the within document(s):

DEFENDANT SHADOW MOUNTAIN RANCH, LLC'S REPLY  
IN SUPPORT OF APPLICATION FOR DISMISSAL OF  
MOJAVE WATER AGENCY'S FIRST AMENDED  
COMPLAINT

- by placing the document(s) listed above in a sealed envelope with postage thereon fully prepaid, the United States mail at Ontario, California addressed as set forth below.
  - by transmitting via e-mail or electronic transmission the document(s) listed above to the person(s) at the e-mail address(es) set forth below.

*Please see attached Service List.*

I am readily familiar with the firm's practice of collection and processing correspondence for mailing. Under that practice it would be deposited with the U.S. Postal Service on that same day with postage thereon fully prepaid in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

I declare under penalty of perjury under the laws of the State of California that the above is true and correct. Executed on December 27, 2024, at West Sacramento, California.

Dawn R. Forgue
