

2026-27

Invest in Students. Build the Pipeline.

Help Mojave Water Agency raise \$15,000 to fund student scholarships, STEM classroom stipends, and early career awareness for High Desert students.

One Goal. Three Programs.

MWA youth programs introduce students to water science at an early age, challenge them to solve real regional problems and give them a reason to see themselves in water-industry careers.

Water Sleuth

Elementary Classrooms

\$3,000 in
classroom
stipends

Hands-on STEM participation stipends introduce younger students to water science.

Problem Solvers

Middle & High School Teams

\$6,000
in school
scholarships

Teams tackle a real-world water-management challenge using shared data, maps, teamwork and scientific discovery.

Solve

Essay Contest

High School Students

\$6,000
in student
scholarships

Students consider different perspectives, and develop ideas that encourage thoughtful discussion about the region's water future.

Lead

Why Sponsor?

A student who participates today could become tomorrow's hydrologist, engineer, water-quality specialist, environmental scientist, equipment operator, GIS technician, construction professional or water-resource manager.

Help us reach \$15,000

Your sponsorship is more than financial support for a program. It is an investment in the future workforce of the water industry. Sponsors directly fund student scholarships and school stipends

Platinum – \$ 5,000+

Prominent recognition on printed and electronic materials, advertisements and essay video; speaking/presentation opportunity at the Water Summit.

Gold Sponsor – \$ 3,000 to \$4,999

Recognition on printed and electronic materials and advertisements; invited to join scholarship presentation on the Water Summit stage.

Silver Sponsor – \$ 1,000 to \$2,999

Recognition on printed event materials.

Bronze Sponsor – \$250 to \$999

Every contribution moves the campaign closer to the \$15,000 goal.

Contact & Next Steps

Today's students will inherit tomorrow's water challenges. Help give them the opportunity to start solving them now by becoming an event sponsor!

Please complete and email this form with your high-resolution company logo (PNG) to Charlene Engeron at cengeron@mojavewater.org to confirm your sponsorship.
